Long Marton School
Class 1

Pets and
Superheroes

Topic Plan
Spring 2017

Religious Education and Personal, Social and Emotional development.

Stories

The children will explore a variety of stories that are important to different religious groups. They will participate in retelling and role playing the stories and will question what can we learn from the different stories and what is their significance.

Involving Parents

Bring in pets from home.

P.E

- Swimming—10x weeks
Children set into ability groups. Children are taught water confidence, basic strokes and breathing.
- Gymnastics - the children will learn different positions and sequences for the Key Steps one Gymnastics floor, body management and vault routines
